

# Phaser® 3250

## A4 Black and White Laser Printer

### Compact, business-ready productivity

This powerful little printer is ready to support a single user or a small workgroup with fast, automatic two-sided printing, office-friendly convenience and outstanding overall value.

#### More performance for less

- Get work done fast, with a print speed of up to 28 ppm and a first-page-out time less than 8.5 seconds.
- Automatic two-sided printing saves valuable time and paper.
- A network configuration – with both Windows, Mac and Linux compatibility – is truly business-ready.
- The 400 MHz processor ensures all jobs print quickly and accurately, even when they're loaded with graphics.

#### Convenience, flexibility

- A surprisingly small footprint makes it easy to position within quick reach.
- Standard 32 MB memory can expand to 160 MB for enhanced performance when your workload demands it.
- Add a second 250-sheet paper tray for a total capacity of 500 sheets.
- Print on custom sizes and a wide range of media, from transparencies and card stock, to envelopes and postcards.
- Power Save and Toner Save modes help you spend less on electricity and consumables.

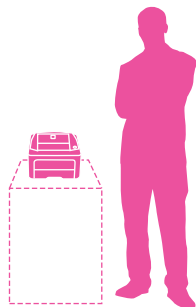

#### Always impressive results

- 600 x 600 dpi print resolution (up to 1200 x 1200 enhanced image quality) adds visual impact to important jobs.
- PostScript® 3™ compatibility\* and PCL® 6 emulation ensure your print jobs are always accurate.
- A 30,000-page monthly duty cycle handles big print volumes with ease.
- Outstanding Xerox quality, reliability and performance are backed by Xerox Service and Support with a standard one-year on-site warranty with optional service extensions.

\* available on DN configuration only

364 x 370 x 239 mm
